To whom it my concern

The **African World Heritage Fund (AWHF)** has been created to assist African Countries that have ratified the 1972 World Heritage Convention to fulfill the obligations deriving from it, in particular by supporting

- The conservation and management of African World Heritage sites that have been inscribed on the world Heritage List with emphasis of safeguarding those sites inscribed on the List of World Heritage sites in Danger.
- The identification and preparation of African sites for inclusion in on national Tentative Lists and nomination for inscription on the World Heritage List.

The **African World Heritage Fund** confirms that it is collaborating with **Green Vision Foundation (Pty) Ltd** in promoting the world natural and cultural heritage in Africa. **Green Vision Foundation** will contribute through their endeavours towards Communication, Education and Public Awareness raising on World Heritage Sites and the World of the AWHF in Africa.

A key project to be conducted by Green Vision Foundation is the “**African Heritage Epic**” a journey from Alexandria in Egypt to Robben Island in Cape Town, through Africa, visiting numerous identified African World Heritage Sites.

We, as the African World Heritage Fund fully support this initiative by Green Vision Foundation in its contribution towards Public Awareness and its potential contribution towards our fund raising efforts.

Yours Sincerely

Webber Ndoro
Director, African World Heritage Fund
